

Bucket Test App Training Day

TUESDAY 13th MARCH 2018

Irricon, in conjunction with Waitaki Irrigators Collective and Lower Waitaki Irrigation Company, would like to extend an invitation to a Training Day to demonstrate how you can utilise the Bucket Test App effectively on your own property.

Learn how to implement the 'Bucket Test' App on your own farm

Determine application depth, distribution uniformity and application intensity values

Meet your Farm Environmental Plan commitments

Pivot, K-line, gun and effluent irrigation options catered for on the day

If you are interested in attending, please RSVP to Waitaki Irrigators Collective (03 434 6721) on or before the 8th March.

Venue: Rogan Borrie's Runoff (940 Georgetown-Pukeuri Road)

Start Time: From 10am

A light lunch will be supplied following the demonstration.
